We are glad to hear you are interested in welcoming a new companion into your life by adopting a rescued animal that is seeking a new home. This application is designed to assist you in finding the animal(s) that are most compatible with your lifestyle and help us determine if the adoption is in the animal's best interest.

In order to be considered as an adopter you must:

- Be 18 years of age or older and have identification showing your current address. If you are renting, have written consent of your landlord.
- Be able and willing to spend the time and money necessary to provide training, medical treatment and proper care of the companion animal(s).

Adoption Fee:

- ❖ Our Adoption fee aids us in the future care of rescued animals and may vary from animal to animal.

Facility Information:

- ❖ Animals adopted by the STAR Eco Station may not be sold, given away, or used commercially or for profit in any way.
- ❖ All adopters must sign a binding contract and a "home check" may be required to ensure that the home is safe for the adoptee(s).

Please understand that the completion of this application does not guarantee adoption of a STAR Eco Station animal.
